IMPACT: State & Local

Summary of Legislation: (Amended) This bill increases from 16 to 21 the number of members on the Educational Technology Council. It specifies that four new members must be teachers and one new member must be a building administrator. It requires that the new members are familiar with and experienced in the use of technology in educational settings.

Effective Date: July 1, 2001.

Explanation of State Expenditures: Under current Indiana law, members of the Educational Technology Council who are nonstate employees, are not entitled to the minimum salary per diem as provided by IC 4-10-11-2.1. However, they would be entitled to reimbursement for travel, lodging, meals, and other expenses as provided in the state travel policies and procedures established by the Department of Administration and approved by the State Budget Agency.

The additional nonstate members would be entitled to reimbursement for travel @ \$.28 per mile and lodging @ \$79 per night.

Explanation of State Revenues:

Explanation of Local Expenditures: (Revised) Certain school corporations may incur the cost of providing substitute teachers on days when certified teachers attend Educational Technology Council meetings.

The statewide average reimbursement for a substitute teacher is approximately \$65 per day. Substitute teacher pay is provided from a school corporation's General Fund.

Explanation of Local Revenues:

State Agencies Affected: Department of Education.

Local Agencies Affected: School Corporations.
